Please come to our AGM and see how we connect in the community!

Spotlight Donors

CDRCP strongly believes that without our Donors and Funders we will not be able to continue the valuable work that we do in the community. CDRCP's Donor News will have a new section called "Spotlight Donors" where we will recognize various donors.

Caring for Kids

Caring For Kids is a non-profit organization that is committed to providing high quality, enriched, stimulating programs within a loving, caring atmosphere. Caring for Kids continually strives to promote the emotional, physical, social and intellectual growth of each child in home care and centre based care.

CIBC Children's Foundation

Since it started in 1984, CIBC's Miracle Day has raised more than C\$190 million for children's charities. The success of Miracle Day is based on the participation and generosity of our clients, employees and Canadian charities.

Each year, on the first Wednesday in December, CIBC World Markets sales and trading staff and CIBC Wood Gundy Investment Advisors donate their fees and commissions to children's charities.

2009 Miracle Day is on Wednesday, December 2

The 2008 Miracle Day raised over C\$3.1 million across Canada.

Whether it is medical attention, shelter in the midst of crisis or extra help with schoolwork, the Miracle touches the lives of many young people.

Miracle Day funds are donated to over 400 children's charities in communities across Canada - from Victoria to St. John's.

Miracle Day is one of Canada's largest one-day corporate fundraising events devoted to children's charities.

Sir Joseph Flavelle Foundation The Sir Joseph Flavelle Foundation was established by a Canadian business leader and philanthropist, Sir Joseph Flavelle. It is managed by an executive made up of members of the Flavelle family, in partnership with the Bank of Nova Scotia Trust Company acting as the Foundation's agent. The funds are allocated on a bi-annual basis to Ontario-based initiatives which have positive social impact on the communities they serve.

Transcanada

Through investments in the communities where we live and work, TransCanada demonstrates our commitment to be a good neighbour, a strategic community partner and an employer of choice.

Our network of approximately 59,000 kilometers (36,500 miles) of wholly owned pipeline is one of the single largest natural gas transmission systems, tapping into virtually every major gas supply basin in North America. TransCanada is one of the continent's largest providers of natural gas storage and related services with approximately 370 billion cubic feet of storage capacity. Through our Energy business, we own or have interests in approximately 10,900 megawatts (MW) of power generation in Canada and the United States. Our diversified power portfolio includes natural gas, nuclear, coal, hydro and wind generation primarily located in Alberta, Ontario, Quebec and the northeastern United States.
