

Connections Fair

The Coalition for Persons with Disabilities in partnership with ErinoakKids hosts an annual event called Connections Resource Fair for Persons with Disabilities. Connections is held every spring and showcases organizations who provide community supports, services or products for persons with disabilities. The trade show style of event fills the Atrium of the Living Arts Centre as well as displaying accessible buses and vehicles on the patio. The Connections Resource Fair

It is a great opportunity to learn about all the different resources and products that are available in their community. Similarly, individuals working in disability related fields take the opportunity to network with fellow service providers.
